

The Town is requesting qualifications from contractors for the remodel and renovation of the following town-owned properties:

- 107 Church Street

The project scope will include, but is not limited to, the following work:

Demolition

General construction

Electrical work

Plumbing

Drywall installation and finishing

Painting

Flooring

Contractors responding to this RFQ should have demonstrated experience in similar renovation projects and comply with all applicable local, state, and federal regulations.

Walk through visits will be March 1, at 11:00 am. Please meet at the site.

Please submit your qualifications, along with relevant references, by March 15, 2026. Site visits can be arranged upon request.

If you have any questions or require additional information, please contact Damon Kempksi Town Manager.

Thank you for your interest in this project.

Sincerely,

Damon Kempksi

Town Manager
